1. **Administrative Fee:** The administrative fee is determined by the time spent to complete an evaluation. A full-day evaluation consists of six working hours; a half-day evaluation consists of three working hours. Cost estimates can be obtained from NCCRS, once the Self-Study Report has been submitted and eligibility has been established.
2. **New organizations:** New organizations will be assessed a full-day administrative fee for the initial evaluation. New organizations are required to remit a nonrefundable payment of \$2,000 prior to the evaluation. This payment will be applied toward the cost of the evaluation at time of final invoice.
3. **Initial Evaluation:** The initial evaluation for new member organizations must be held on-site regardless of course or examination delivery model.
4. **Duration:** Credit recommendations are valid for five years, provided there are no substantive changes made to the courses or learning experiences that would require another evaluation.
5. **Final Invoice:** The final invoice will be sent following the evaluation. Fees are due regardless of the outcome of the evaluation. If a follow-up review or new evaluation is required, additional fees will apply.
6. **Cancellation:** In the event of cancellation, the requesting organization will be responsible for all non-refundable travel, 25% of the administrative fee, and will be charged the full cost of evaluators' honoraria, if any of the following has already occurred: 1) the organization has been notified that the date of the evaluation has been scheduled; or 2) NCCRS has confirmed some or all of the evaluation team.
7. **Annual Fee:** Member organizations are responsible for an annual fee established according to the number of exhibits posted each year within *CCRS Online*.
8. **Wire Transfer Fees:** Member organizations are responsible for bank wire transfer fees, if fees are incurred.
