ANNUAL FEES

All organizations with evaluated learning experiences posted to *College Credit Recommendation Service (CCRS) Online*, an online directory (available at www.nationalccrs.org/course-credit-directory), will be assessed an annual fee to maintain the following services:

- timely posting of evaluated learning experience exhibits to *CCRS Online* with credit recommendations used by colleges and universities throughout the United States as a guide to awarding credit
- regular review and update of information on each learning experience recommended for credit to ensure the continued validity of the recommendations and the credibility within the academic community
- continuing advisement and advocacy for member organizations and their students or employees on ways to work with colleges and universities to foster the acceptance of the credit recommendations
- ongoing development and maintenance of the NCCRS website providing resources for organizations, students, college, and university personnel
- ongoing efforts to identify colleges that recognize the potential merit of noncollegiate learning experiences and offer degree programs and services of special interest to working adults.
